

Mojito - Mo' Problems

05/14/2007

Invented by pirates and adored by the likes of Ernest Hemingway, this Cuban concoction is one that has a strong following. Team it up with the finest distillates, hand crafted to perfection for over six generations and you're sure to appreciate why this rum is "Unavailable Almost Everywhere".

Bermuda Gold Mojito

2 oz Gosling's Gold® Bermuda Rum
8 spearmint leaves,
1/4 oz fresh lime juice
1 tsp super fine sugar,
2 dashes of Angostura Bitters.
Gosling's Black Seal® Rum

In a large old fashioned glass muddle the lime juice, sugar and 2 spearmint leaves together, bruising the mint well. Add the rum, bitters and ice. Top it off with a splash of club soda, a float of Gosling's Black Seal Rum, garnish with remaining mint leaves.
