Tropical paradises are known for their sweet, fruity cocktail concoctions. Not Bermuda. The drink of choice is a sassy, spicy mix of ginger beer and dark rum, the Dark and Stormy,

more in keeping with the fickle Atlantic waters than the pink sand beaches that ring the island. The makers of Gosling's famous Black Seal rum, in partnership with Worcester's Polar Beverages, have made it easier to brave the elements in your breezy backyard this summer. Make an authentic Dark and Stormy in a tall ice-filled glass with two ounces of Black Seal rum, Gosling's Ginger Beer, and a lime. The ginger beer is also sold in a zero-calorie version. Salt in your socks not included. *Available at Stop & Shop and Roche Bros. locations.* ■
