**GOSLING'S
FAMILY RESERVE RUM**
Gosling's Family Reserve Old Rum has been a secret for generations enjoyed only by members of the family. Old Rum is created from the incomparable Bermuda blend that makes up the smooth, full flavor of Gosling's Black Seal Rum. The rum is left resting in the oak barrels where it is aged until it has acquired a luscious, well-balanced complexion, resulting in the finest of sipping rums.

OLD RUM

This rich, soft, elegant Old Rum is created for the enjoyment of those who appreciate the finer things in life. Welcome to the family!
